**Important Notes to Trainee:**

- Safety Gears:** Trainees must wear long trousers and their own safety shoes with non-slip soles and steel toe caps during workshop training. Such safety gears are not required when taking lecture in Engineering Drawing, Safety and Computer Training.
- Attendance:** Trainees must attend the training in assigned group as scheduled in the timetable and complete the training in 100% attendance. Make-up is required for late, leave and absent. Absence without approval will be penalized with double make-up.
- Name Tag:** For ease of identification, trainees are required to wear a name tag while under training at the IC.
